

111 Masons Hill

London - Bromley | Supported Living

About this home

111 Masons Hill provides six supported living studio flats for individuals aged 18+ who have learning disabilities, autism spectrum conditions and/or epilepsy.

The team support people through the development of person centred plans, tailored towards individual needs and focused on positive outcomes. People are supported to make individualised choices in all aspects of day to day life through support that promotes choice and sets goals. Individuals are actively supported to take part in meaningful activities that enrich their lives and build on skills. Team members are available 24 hours a day also providing waking night support when required.

What we offer

111 Masons Hill comprises of six individually accessed en-suite studio flats with their own facilities, which are designed to help people increase their independence.

The service has a very friendly environment and is situated within a 10 minute walk from Bromley South train station and Bromley High Street with its large shopping complex and range of community facilities. There are a wide range of bus links too.

Lifestyle

People are supported to take part in a variety of activities that increase social, communications and independence skills. This includes activities within the service such as arts and crafts, music sessions and social events, as well as events in the community such as swimming, bowling, visits to the cinema, walks, meals out at restaurants and many more.

People enjoy frequent trips to day centres and further areas such as in to London. Individuals are also supported to integrate into the local community through paid and voluntary work, and one person currently has a paid job at Waitrose which they are enjoying.
