

19 Longden Road

Shropshire | Supported Living

About this home

19a & 19b Longden Road is a supported living service for adults with autism spectrum conditions, moderate learning disabilities and severe learning disabilities in Shrewsbury. Longden provides individuals with appropriate support, using person centred action plans tailored towards their individual needs. Support is focused on positive outcomes and encourages the development of life skills, supporting people to be as independent as possible. Longden also work with individuals to integrate them within the wider community and liaise with family members regarding ongoing care and activities.

Staff are available 24 hours a day including waking night staff, and they work closely with the individual, health care professionals and families in order to provide the best care.

What we offer

Longden Road is comprised of spacious, self-contained flats which allow for independent living under the support of staff members. Each flat has an en-suite and the property also features a large, spacious garden where social events and activities take place.

Longden Road is located in Shrewsbury, which features an array of amenities such as a swimming pool, a gym, cinema, shopping centres and museums. The home is located near a railway station which provides great transport links in to surrounding areas.

Lifestyle

People at Longden Road are supported to access the local community and take part in a range of activities such as bowling, cinema visits, swimming, eating out at local restaurants and many other activities.

Longden Road organises regular coach trips to market towns, the seaside and other places of interest. Longden Road supports people to have holidays in places of their choice and family visits across the country. They also offer courses on cooking and budgeting, as well as day trips to castles and laser quest.
