What we offer

Harbour is a large Victorian house in a residential area on the outskirts of Torquay, very close to all of Torquay's main attractions. Two of the rooms are designed as studios and each have their own bathroom and kitchen area. Three of the rooms are en suite and the sixth room has exclusive use of a bathroom. Each room can be decorated to meet individual tastes, choices and sensory needs.

Communal areas include a kitchen, large dining room, and living room. One of its best features is the large 2-story garden used for recreational, leisure and gardening opportunities and features a trampoline.

Harbour has many transport links and is only a 5-minute walk away from the local train and bus stations.

Lifestyle

People at Harbour are supported to take part in a range of leisure and skill-building activities to increase their independence and confidence. As Harbour is close to all of Torquay's main attractions, there are frequent trips to the seaside, zoo and cinema. Furthermore, the staff at Harbour have helped people to take their first-ever holidays, making them fun-filled, relaxing and a big step towards independence. One person went on holiday for the first time to Pontins in Weston-Super-Mare, and enjoyed a range of activities such as entertainment, discos, and the pier by the seafront.

There are also events at the service, such as a picnic that raised money for charity YoungMinds. There was a delicious hog roast and barbecue as well as a successful cake sale which was enjoyed by everybody.
