

Kaye Lodge

Somerset | Supported Living

About this home

Kaye Lodge is a supported living service for adults aged 18 – 65 with autism spectrum conditions, moderate learning disabilities, severe learning disabilities, complex needs including behaviours that may challenge and epilepsy.

Kaye Lodge has an extremely friendly and family orientated approach which creates a warm and welcoming environment. Individuals will be supported to develop person-centred plans that promote increased choice, control over their lives and increased independence skills. People will be supported to take part in meaningful activities that enrich their lives and build on skills.

What we offer

Kaye Lodge is a newly built property with 3 en-suite bedrooms and 3 self-contained flats with wet rooms.

There is a large garden used for social and leisure activities, especially in the summer. Individuals have access to wifi throughout the property.

The service is in an ideal location, with multiple community amenities close by including shops, restaurants, parks and great transport links. The coast is nearby which is great for day trips.

Lifestyle

At Kaye lodge, we support individuals to get involved in a wide range of activities both within the service and in the local community. The service runs activities such as sensory sessions with therapists, arts and crafts, gardening and many more.

There have been multiple holidays and day trips to the coast and surrounding areas which people have enjoyed. People also enjoy accessing the local community, taking part in activities including weekly meals out, day centre activities, college placements, shops, trips to the cinema and bowling.

There is an emphasis on building independence skills at the service, and people are supported in learning daily life skills such as cooking, grocery shopping, meal preparation and budgeting.
