

What is a Corona virus?

A Corona virus is germs you
can catch that make
you feel poorly.

A Corona virus could
affect anyone.

These are some symptoms of a Corona virus:

A cough

Shortness of breath

A fever

You can catch Corona
virus from other
people who are ill.

Avoid:

Close body contact

Sharing food or drink

Touching surfaces
and then your face

Do not shake
hands with other
people

If you feel poorly you
must speak to staff.

Staff might suggest
you need to see a
doctor.

Only a doctor will
know if you have
Corona virus.

If we are feeling poorly we should:

Get plenty of rest

Drink more fluids

Always cough and sneeze into a tissue not into hands. Always throw the tissue into a bin

Follow the washing hands visual

Use antibacterial gel

Wet
Hands

Soap

Wash

Rinse

Dry
Hands
