

## TreeBee Society - Minibeast Hunt

Head out to your garden,  
and have a good look,  
Under a stone, a leaf,  
Search every nook!

Look behind the gate,  
search under the wood,  
Can you find some Minibeasts?  
We really think you could!

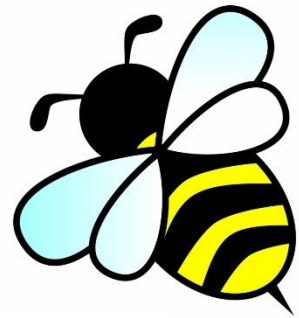

Go into your garden and see if you can spot one of the minibeasts below! Once you've spotted it, tick it off!

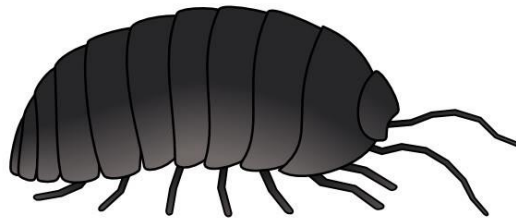

Earthworm

Frog

Bumblebee

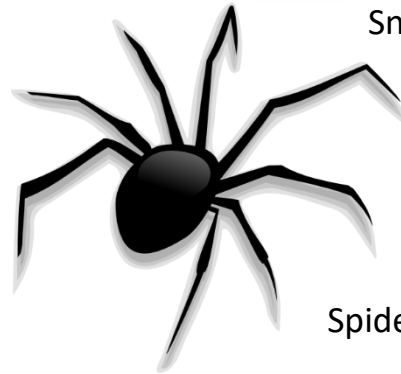

Woodlouse

Snail

Beetle

Spider

This Minibeast Hunt Worksheet has been designed by the Beekeepers at the TreeBee Society as a free resource for those home-schooling children during the 2020 Covid-19/Coronavirus shut down period.
