

# How to make an Easter card

*Happy Easter  
Mum and Dad  
love John xx*

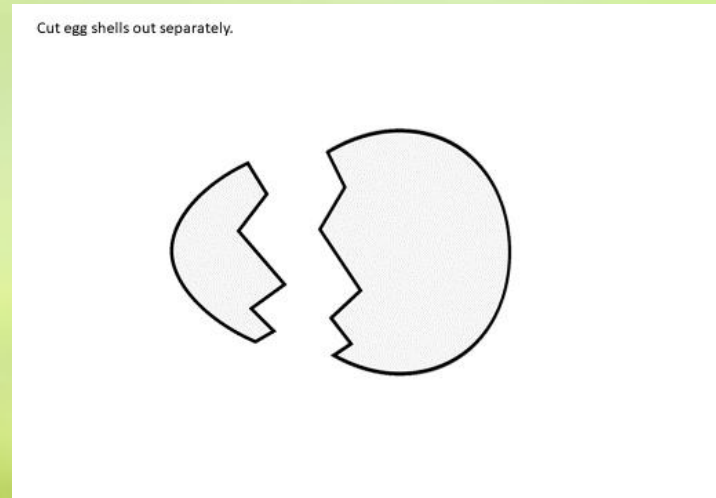

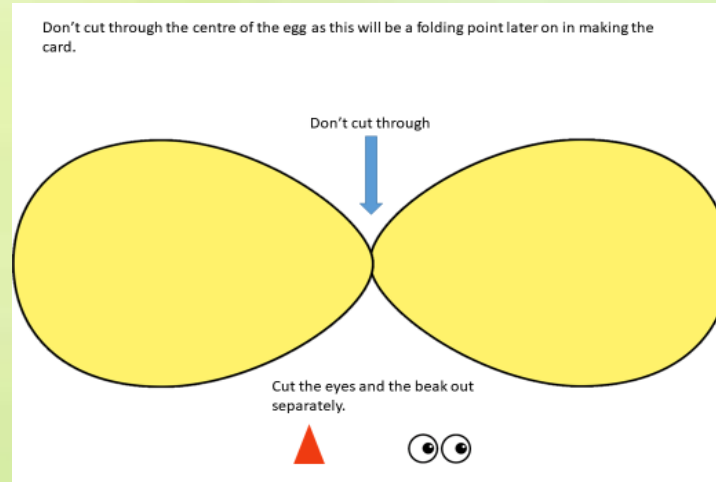

# You will need

- Scissors

- Glue any type

- A printer, A4 paper to print out templates provided

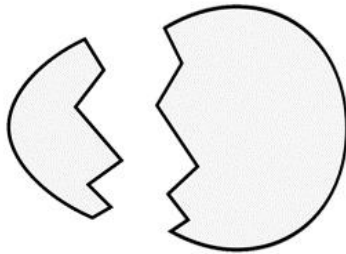

# How to make an Easter card

## Step 1

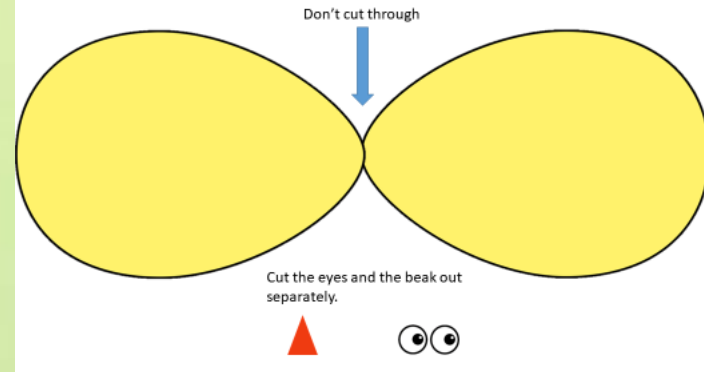

Cut out templates provided on the next pages

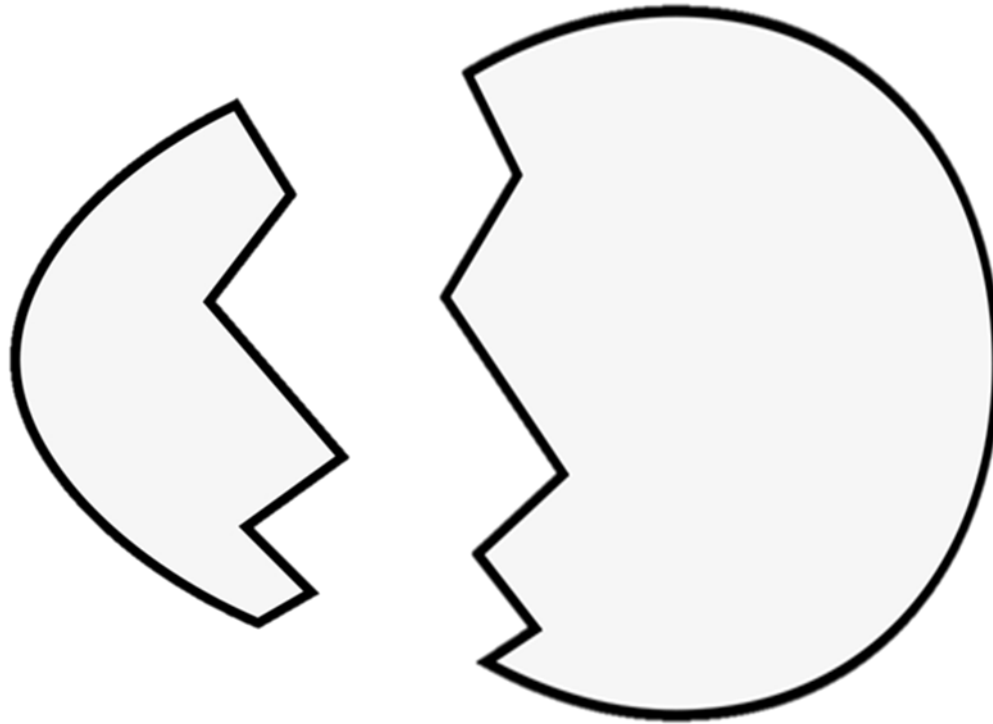

Cut egg shells out separately.

Don't cut through the centre of the egg as this will be a folding point later on in making the card.

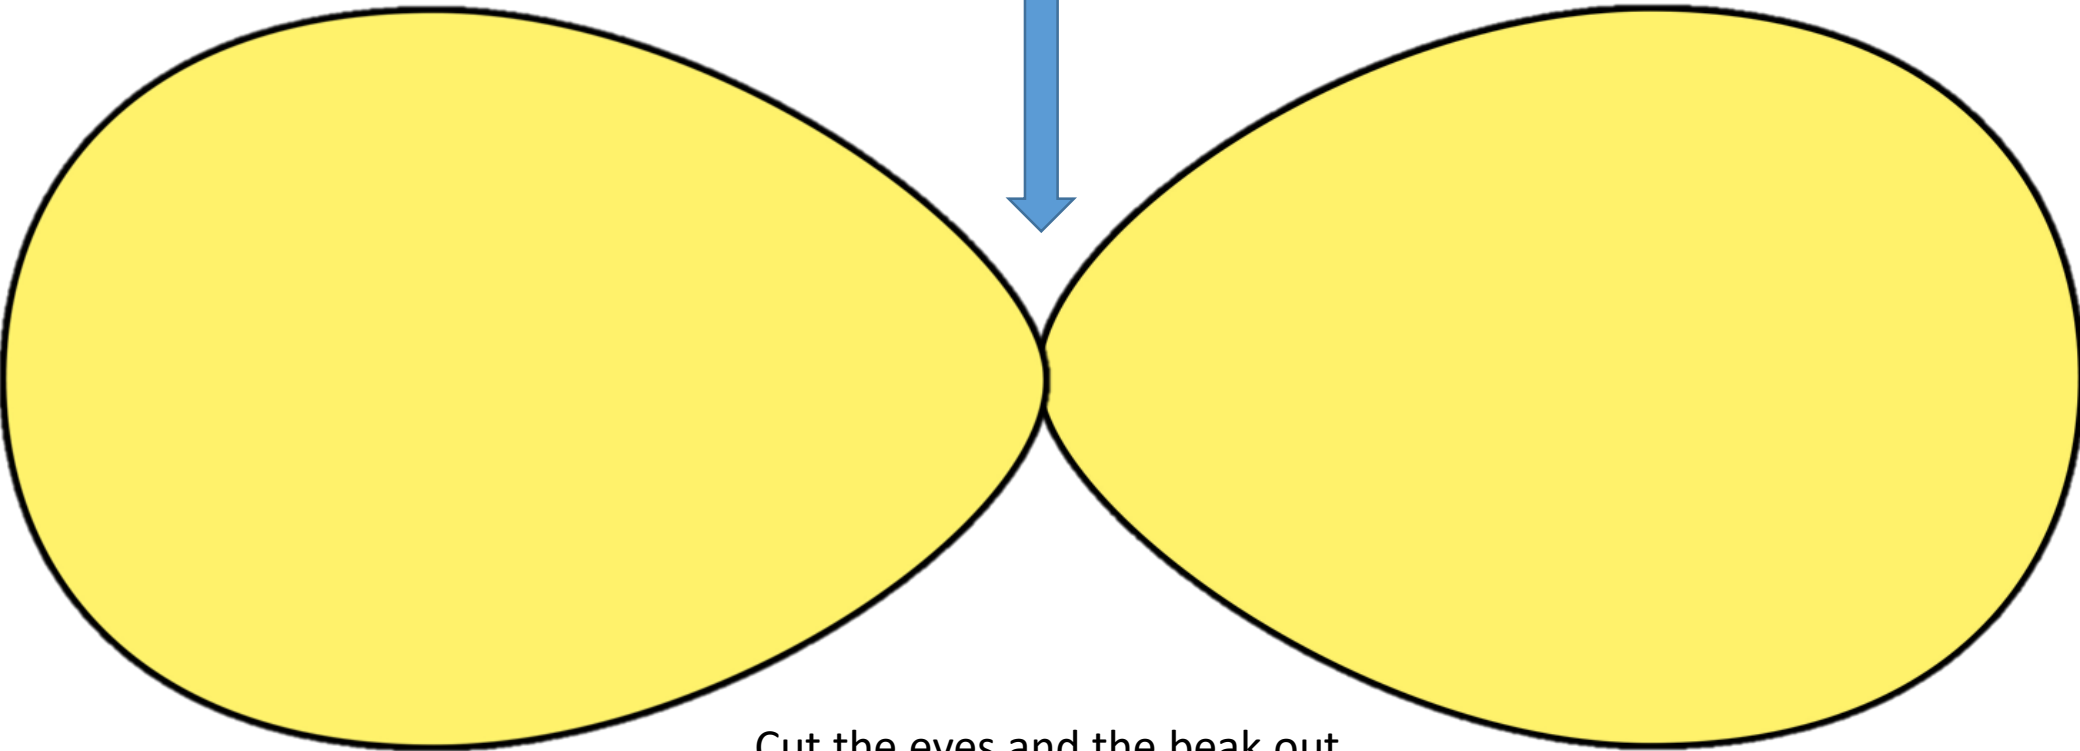

Cut egg shells out separately.

Don't cut through the centre of the egg as this will be a folding point later on in making the card.

Don't cut through

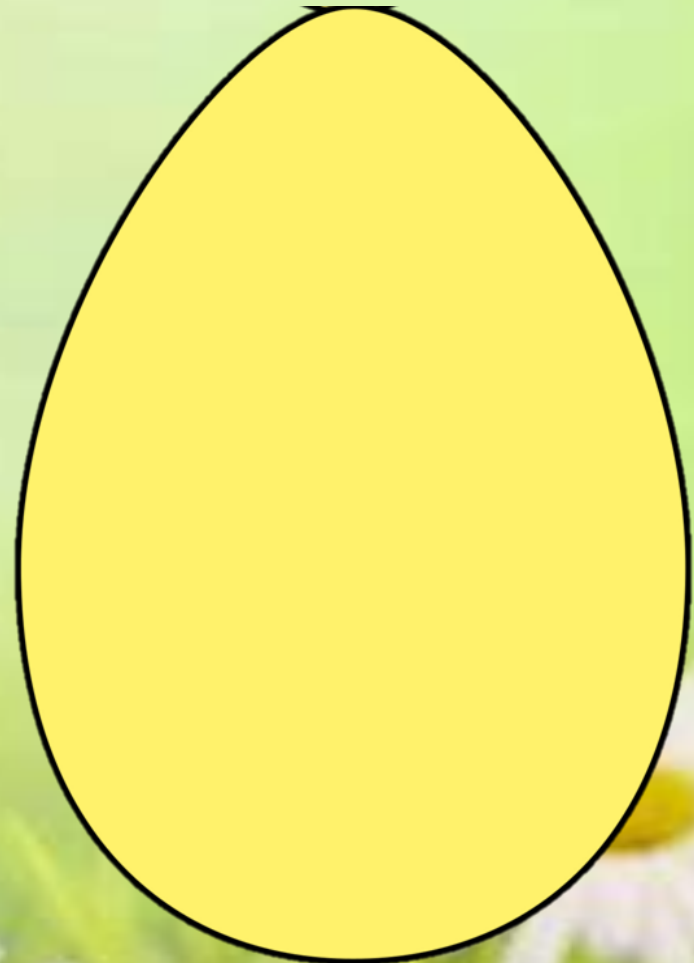

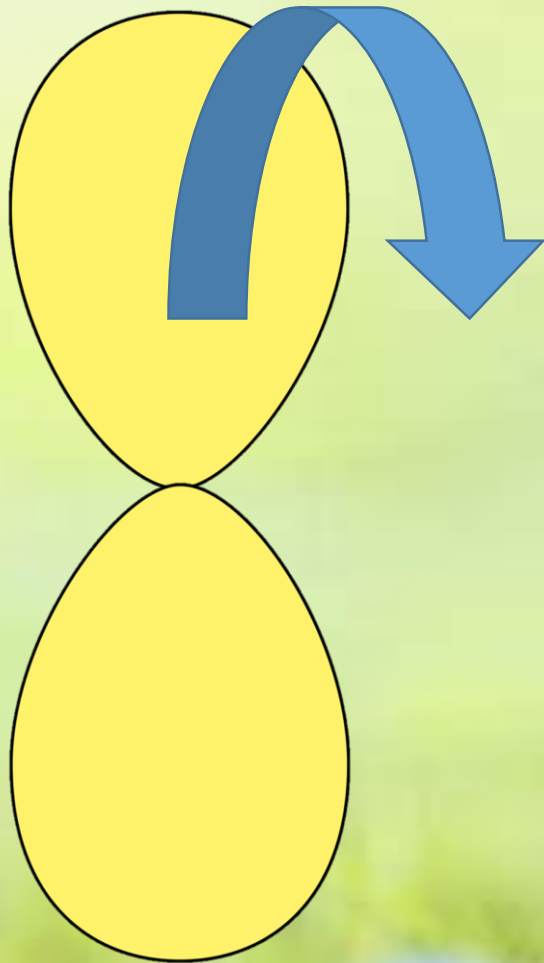

Cut the eyes and the beak out separately.

# How to make an Easter card

Step 3

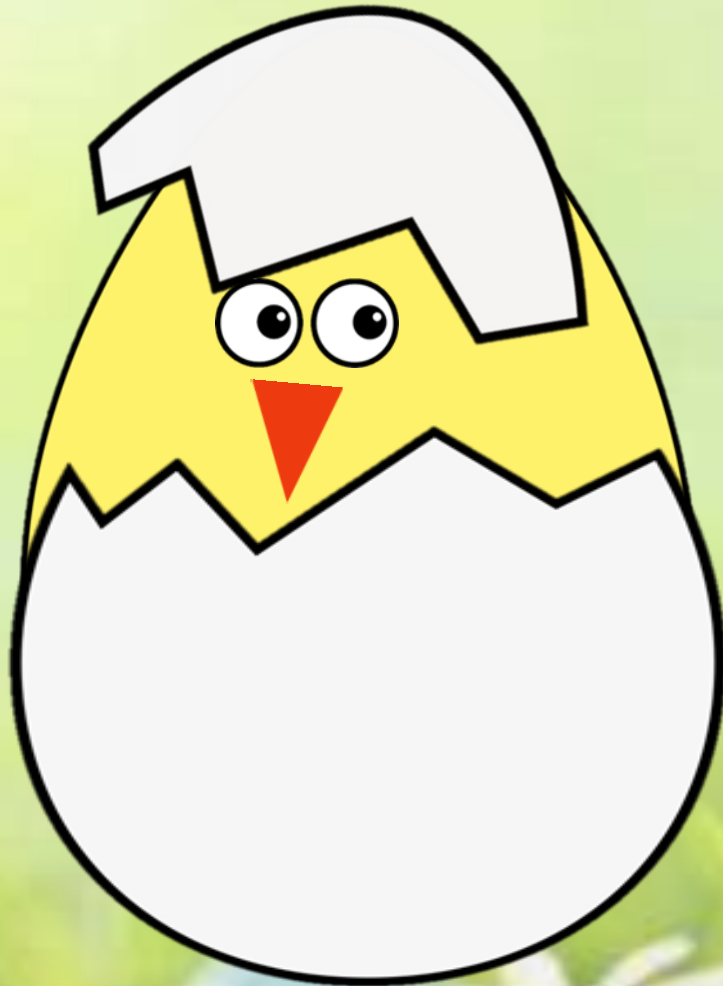

Folder the egg template in half at the top

# How to make an Easter card

Step 4

Glue the egg shell, eyes and beak onto the front.

# How to make an Easter card

## Step 2

Open up the card and write your Easter message .
