

Conker Spiders

What you will need:

- Conkers from outside
- Google eyes
- Pipe cleaners
- Glue

Method:

1. Cut pipe cleaners into 8 pieces per spider.
2. Fold them in half to create legs.
3. Clean the surface of the conker and add glue.
4. Glue the legs and googly eyes onto the conker.

Playdough Conkers Animals

What you will need:

- Playdough/plastecine
- Tooth picks
- Conkers
- Googly eyes
- Glue
- Something sharp to poke holes

Method:

1. Use the different colours to create animal features.
2. Attach to your conkers.
3. Use toothpicks to make legs/arms
4. Add googly eyes.
