Spooky Hand Soap

What you will need:

- Ping pong balls
- Black and red sharpies
- Clear soap jar
- Clear liquid soap

Method:

1. Draw eyeballs on each ping pong ball using the sharpie.
2. Remove lid from the jar.
3. Add the ping pong balls.
4. Pour hand soap over the eyeballs.
5. Replace the lid and enjoy!

Paper Bats

What you will need:

- Black card paper
- Printable bat template attached
- Scissors

Method:

1. Print the bat template onto the black card paper.
2. Cut along the lines.
3. Use blue tack or any other adhesive to stick these bats to the walls or mirrors.

Halloween Spider Garland

What you will need:

- Black pipe cleaners
- Wire/string
- Needle

Method:

1. Take four pipe cleaners, stack them up.
2. Bend them in half.
3. Take the top of the folded pipe cleaners and bend it over about an inch and twist the together.
4. It will make the body of the spider so it doesn't need to be tidy.
5. Start separating out the legs to form the spider.
6. Bend the legs however you wish to make it look lifelike!
7. Thread the needle with some wire or string for the garland.
8. Take the thread through the body of each spider and continue until you have the length you want.

Glow in the dark shapes

What you will need:

- Glow in the dark paint
- Plastic bag
- Templates

Method:

1. Place the template inside a plastic bag.
2. Use the template to colour the plastic bag with your glow in the dark paint.
3. Leave them for overnight.
4. The paint will have solidified and can be removed from the plastic.
5. Stick them on windows, cups, candles or anything glass!

Ghost Balloons

What you will need:

- White balloons
- White party streamers
- Black sharpie
- Double sided tape
- Scissors
- Curling ribbon

Method

1. Inflate the balloons with helium or just blow them up yourself.
2. Cut 3 strands of party paper for each ghost balloons.
3. Tape streamers to the balloons using a small piece of double-sided tape.
4. Draw on a face with black sharpie. Make him look ghostly!
