

Straw Garland

What you will need:

- Red, blue and white, paper straws
- Twine
- Glue
- Scissors

Method:

1. Glue 6/7 straws together side by side.
2. Using the scissors cut the straws into a triangular flag shape. So cut the two outer straws to be the shortest, then cut less off the inner straws and leave the innermost one or two as the longest. See picture for reference.
3. Using a needle, thread the twine through the ends of the straws to make bunting.

Tin Can Windsocks

What you will need:

- Clean tin can
- Blue, white paint
- Red and white tissue paper
- Glue
- Scissors
- String/twine

Method

1. Paint the whole tin can blue and leave to dry.
2. Using the white paint, add stars to the outside of the tin can.
3. Cut the red and white tissue paper into long strands.
4. Glue the tissue paper strands onto the inside of the can.
5. Hang the can with the string, or hold up the windsock to watch the tissues blow in the wind.

Painted Lawn Stars

What you will need:

- A3 Paper
- Pencil
- Ruler
- Scissors
- Red, white and blue spray paint

Method:

1. Using a pencil and ruler, draw a large star on the A3 paper.
2. Cut out the star stencil from the A3 paper.
3. Lay it in different areas of the garden.
4. Spray over the empty star in the paper to cover the grass beneath.
5. Repeat until your lawn is looking festive!

Flower Pot

What you will need:

- Plain flower pot
- Red, white and blue paint
- Paper
- Scissors
- Pencil
- Ruler

Method

1. Clean the plain flower pot for a good canvas.
2. Paint the whole pot white.
3. When dry, paint, red stripes around the lower part of the pot.
4. Paint the top rim blue.
5. Using the pencil, ruler and scissors, create a small star stencil in the paper.
6. Paint white stars around the blue rim.
