

Strawberry Garlands

What you will need:

- String/twine
- Scissors
- Red or pink paper / felt
- Green paper/felt
- Sewing needle

Method

1. Decide whether you wish to make a paper or felt garden.
2. Cut your red material of choice into heart shapes. Cut plenty to make your desired garland length.
3. Take your green material and cut into the shape of the foliage on top of the strawberry.
4. Thread your sewing needle and stitch the foliage on top of each strawberry. Continue to lead the thread through each strawberry until you have a garland.

Tissue Tennis Balls

What you will need:

- Yellow/green tissue
- White tissue
- Card
- Glue

Method

1. Cut several circles into the card as a backing for your 2d tennis balls.
2. Screw up the yellow or green tissue into small balls.
3. Glue onto your card leaving two lines empty.
4. Fill the lines with screwed up pieces of the white tissue and glue down.

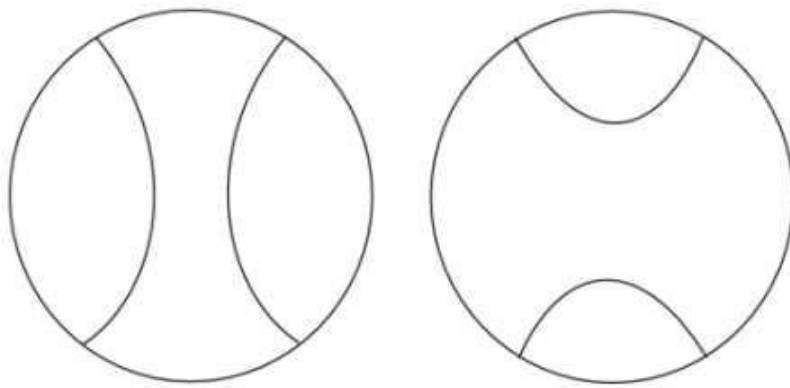

Tennis Ball Bean Bags

What you will need:

- Yellow felt
- White and yellow thread
- Dried beans

Method:

1. Cut two circles into the yellow felt.
2. On each circle, backstitch two curved lines in white thread, like in the picture below.

3. Stitch the circles together around the edge, leaving a small gap.
4. Fill with beans through the small gap, and sew it closed.
5. Throw them around and play with them.
