Ty Dol is a 12-bedded Residential service situated in Gorseinon northwest of Swansea. It provides specialist support for adults aged 18+ with learning disabilities, mental health, PMLD and additional complex needs. The service comprises 12 individual self-contained flats that offer additional communal spaces and a courtyard.

People living at Ty Dol are supported to develop their skills and increase their confidence in leading a life of their choosing by a skilled and professional team, including access to an onsite PBS practitioner.

Our team get to know people well and, together with family and professionals, develop individual plans tailored to people's needs and focused on short and long-term outcomes. This includes seeking out opportunities to take part in activities and employment that enrich their lives and build on skills whilst providing the best care and support possible.

About this service

A modern property situated in a residential area with ease of access to the local community Ty Dol is homely and established in the local community.

Newly refurbished each of the 12 self-contained flats offers a lounge, kitchen dining area, along with a separate bedroom and ensuite wet room. Additional communal spaces, including a small courtyard and lounge, provide people we support the opportunity to make friends and socialise.

Achieve together

Who are we?

Today, our team of expert practitioners is proud to deliver high-quality support to over 2,300 people in almost 400 local care homes and services across England and Wales. We endeavour to be a continuing leader in best practice across the country and ensure that the people we support have every opportunity to fulfil their potential. Our goal is to drive quality across the sector and lead by example.

We have a strong expertise in supporting people with particularly complex needs, including autism spectrum conditions, behaviours which may challenge, mental health conditions, profound and multiple learning disabilities, D/deaf and hearing loss and associated complex health needs. Together, we can continue to exceed expectations and make a real difference to the lives of the people we support.
