

Supported Living in Paignton

Call: 03301 755 322

Email: referrals@achievetogether.co.uk

This home has undergone a full refurbishment to create seven supported living, self-contained apartments providing specialist support for adults with autism spectrum condition, learning disabilities and forensic backgrounds. Each apartment has its own front door, bedroom, en-suite, and living/dining area with a kitchen. The support team will be available 24 hours a day to support in all aspects, from support with cooking, laundry, and other day-to-day activities. We can also accommodate supported sleeping, and there will always be a waking night team member on hand.

This home's profile number is 458.

Ground floor

- Communal areas
- Living spaces for people we support
- Team member areas

Lower ground floor

First floor

Second floor

What we offer

The spacious garden is a hub for social events and activities, especially during the summer.

The home is situated in an ideal location, in the central tourist area of Torbay and includes on-site parking. There are plenty of community amenities for people to enjoy, including shops, restaurants, the pier, and various beaches.

People living here lead active lives and get involved in various activities in the home and in their wider community. This helps increase social skills as well as confidence.

People are also supported with developing and building confidence in important life skills such as budgeting, meal preparation, laundry, and domestic skills, increasing independence.

We encourage and support people to identify and maintain education, volunteering, and/or paid work placements, too.

Achieve together

Who are we?

Today, our team of expert practitioners is proud to deliver high-quality support to over 2,500 people in almost 400 local care homes and services across England and Wales. We endeavour to be a continuing leader in best practice across the country and ensure that the people we support have every opportunity to fulfil their potential. Our goal is to drive quality across the sector and lead by example.

We have a strong expertise in supporting people with particularly complex needs, including autism spectrum conditions, behaviours which may challenge, mental health conditions, profound and multiple learning disabilities, D/deaf and hearing loss and associated complex health needs. Together, we can continue to exceed expectations and make a real difference to the lives of the people we support.
