This stunning large detached residential property in Tywyn Gwynedd, is a short drive from Dolgellau, Bangor, and Porthmadog.

Fully renovated to a high spec and due to open in Winter 2023, this home will provide supported living accommodation for six adults with learning disabilities and complex care. The home is split into six self-contained studio apartments.

The self-contained style of each apartment allows us to offer bespoke support for each person living here, including those with complex needs or those who are unable to share accommodation but can also accommodate adults who are more independent and looking to take that next step.
