

# Supported Living in Wirral - 581

**Call: 03301 755 322**

**Email: [referrals@achievetogether.co.uk](mailto:referrals@achievetogether.co.uk)**

This supported living home located in Wirral, supports adults with mental health needs, learning disabilities, autism spectrum conditions, behaviours that may challenge and acquired brain injury. We also provide specialist support for people with complex conditions, including Huntingdon's Disease and profound and multiple learning disabilities.

We provide people with appropriate support for their individual needs, focusing on positive outcomes and supporting the development of life skills. We also work with people to integrate them within the wider community and liaise with family members regarding ongoing care and activities. We develop person-centred care plans and complete regular reviews to ascertain progress and change. We employ an activities coordinator who offers a broad range of physical, social and educational activities available for everyone who lives at Arrowe Hall.

With two new apartments available in the main building and a further two available in an external bungalow, this home provides bespoke independent living accommodation.

Here, we provide highly specialist support for adults with complex diagnoses. The accommodation can be fully adapted to meet individual needs and is already equipped for accessibility, being situated on the ground floor, with widened door frames, wet rooms throughout, and space to accommodate portable hoists on its glass roof.

## What we offer

A beautiful stately home in the Wirral, it is surrounded by a 300-acre park, which has a Golf Club and tennis courts. The property contains 22 self-contained flats with wet rooms.

Each person is supported within their own tenancy and has dedicated, trained team members who are formed to meet people's specific needs; people are encouraged to get involved in the recruitment of their support teams by helping to interview.

There are two communal activity rooms where everyone can take part in a range of leisure activities at home.

## Lifestyle

The people living at this home enjoy a range of activities inside the house and in the wider community. There's an in-house events coordinator who organises movie nights, breakfast club, karaoke and more, who also organises events off-site, including visits to the zoo, socials at the local pub and restaurants and even treasure hunts in the property's grounds.

The home also has an array of pets that people enjoy looking after, including Guinea pigs, gerbils, hamsters and fish.

## Achieve together

### Who are we?

Today, our team of expert practitioners is proud to deliver high-quality support to over 2,500 people in almost 400 local care homes and services across England and Wales.

We endeavour to be a continuing leader in best practice across the country and ensure that the people we support have every opportunity to fulfil their potential. Our goal is to drive quality across the sector and lead by example.

We have a strong expertise in supporting people with particularly complex needs, including autism spectrum conditions, behaviours which may challenge, mental health conditions, profound and multiple learning disabilities, D/deaf and hearing loss and associated complex health needs. Together, we can continue to exceed expectations and make a real difference to the lives of the people we support.
