

# Meet Anita Moore

Home Manager,  
Ivers in Dorset

## About Anita

Anita's career in the care industry spans over 35 years. She's worked her way up from initially starting work in the kitchens through various carer roles and now into the Home Manager role.

She joined Achieve together in 2022 and brings with her plenty of experience of providing person-centred support.

## Anita's Qualifications

- NVQ level 2 & 3 in health and social care

Anita has also completed many training courses and has expertise in wounds/dressings, speech and language, dietary requirements, dementia and end of life care.

"I love seeing the people we support happy and smiling".

## Anita's successes

Originally joining Achieve together as Deputy Manager, Anita quickly progressed into the Home Manager role. Her focus has been to ensure that everyone living at Ivers has a person-centred care plan that enables them to achieve everything they want to in life.

She is especially keen on improving the living environment at Ivers and looks forward to working on upgrading the sensory room and grounds at Ivers.

"The proudest moments working in care, are seeing the person you are supporting happy and enjoying their life and for them to be proud of achieving something, no matter how small or big."
