What makes this home unique:

The picturesque views and quiet location amongst wildlife make this home ideal for someone looking for a peaceful pace of life. The team members and people we support have a keen interest in gardening and growing their own vegetables and we have many flowerbeds and an allotment area that everyone looks after together. A brick BBQ is the highlight of evenings in the summer months, where we all gather to enjoy cooking, socialising and games.

From the home:

“It makes me happy to see that everyone is living life to the max and having their best days with us supporting them along the way.”

- Home Manager

“I was homeless, before that I was in hospital for 10 weeks. Living here has been wonderful. I’ve gone from homeless to a home over my head. Being here has helped me build up my equipment, I have new/clean clothes, I’m going to hopefully be back on the road. My health isn’t perfect but it is getting better”
