About Kathryn

Kathryn has worked in the care sector for over 15 years and has been with Achieve together for the last seven. Initially starting as a Support Worker, she has worked her way up whilst working on her Health and Social Care qualifications and role specific training.

Kathryn's key skills

Kathryn holds a level 5 Health and Social Care Leadership and Management Award and is trained in a number of other specialisms including:

- PASS+PORT PBS Trainer
- Mental Capacity Act and Deprivation of Liberty Safeguards
- Medical care relating to Epilepsy, alcohol & drugs, ligature and buccal administration
- Autism, Learning Disabilities and Acquired Brain Injury

"I am proud to work for a company that supports it's team members to gain qualifications alongside their work, the company really values staff and their development".

Kathryn's successes

Throughout her career, Kathryn has specialised in providing support for people with Autism, behaviours that may challenge, mental health and physical health conditions. Her proudest achievement is the turnaround of her current home. Being part of a team that has totally redefined the culture of the home and now provides a warm and welcoming place to be for the people we support, team members and visitors.

"My goal is always to build stronger relationships with the people we support to ensure that all individuals get the opportunity to live their best lives".
