

Meet Melanie

**Home Manager
Portland Street,
King's Lynn**

About Melanie

Before joining Achieve Together, Melanie spent 16 years working in childcare alongside children's social services, MENCAP and the local colleges, promoting life skills and independence. She was very fortunate to work with good mentors who had a wealth of knowledge and taught her skills that have followed her throughout her career. Melanie started with Achieve Together in 2010 as a part time Cleaner to fit around her childcare. From there she developed a passion for supporting people with enduring mental health conditions. She worked her way from Cleaner to Support Worker, to Practice Lead, before taking the Home Manager role at Portland Street.

"I am a strong advocate for people whose voice sometimes gets lost in a world of noise".

"I love seeing the difference my leadership has made to the people we support within the home, watching them thrive and gain their independence".

Melanie's key skills

Melanie is a great leader and role model, she's taken all the knowledge she's learned over the years and shares that with her team. Her real passion is making people smile, small or large, and she enjoys helping people to reach their goals. Melanie is a strong advocate for people whose voice sometimes gets lost in a world of noise and believes in promoting independence in the least restrictive ways.

Melanie's successes

Melanie's proudest achievement has been the hugely positive impact she has made in the home which has been recognised by the CQC taking the home from an 'Inadequate' to a 'Good' rating within just one year — a testament to her dedication, expertise, and leadership. Melanie has created meaningful, lasting change for the people she supports. Melanie has been empowered to lead with confidence, compassion, and purpose. By embracing our core values of Being Brave, Making Things Happen, Valuing Everyone and Having Fun —she has built a culture within the home that truly puts people first.
