What makes this home unique:

We have hot tub parties, outdoor cinema nights, days out to theme parks, zoo's, theatre trips, beach trips - that is just to name a few things as we do so much all year round. We hold a big Christmas party at the local pub for all the people we support and their family/friends which is always a huge hit.

From the home:

“The people we support are at the heart of everything we do here. Getting to know each person and working alongside my team to support them to live their lives doing things they love is what’s important to me”.

- Home Manager

“I have lived here for a year and I love it. I get to go to different places and do different things that I want to do. I got to go to Disneyland Paris for the first time last year, I am so excited to go to Disney again this year. The support workers here make things happen”.
