What makes this home unique:

Winston Lodge is a warm and welcoming home where people are supported to make choices, build independence and enjoy fulfilling lives. Its friendly, person-centred approach creates a genuine sense of belonging, with meaningful relationships at the heart of everyday life.

The people we support stay connected through local groups, social activities and a vibrant calendar of celebrations. A range of therapists visit the home to provide music, aromatherapy and physiotherapy sessions. Entertainment and creative activities also provide opportunities to try new things, build confidence and enjoy time together.

The front and rear gardens offer space to grow plants, relax and enjoy quieter moments. They are also a great place to socialise, enjoy barbecues and make lasting memories together.
