## What makes this home unique:

This home has a warm, supportive atmosphere, where up to five people can shape daily life around their choices, interests and aspirations. Each person has a room that they can personalise, alongside a welcoming communal lounge and garden where people can spend time together, grow flowers, fruit and vegetables and enjoy seeing them bloom throughout the year.

The people living here are encouraged to take part in household decisions, develop everyday skills and build independence at a pace that feels right for them. Shared meals, celebrations, movie nights, games and relaxed conversations create a friendly sense of togetherness, while privacy and individual routines are always respected. Support is tailored around each person, with kindness, dignity and positive relationships at its heart.

## Location:

This supported living home is set in a peaceful and welcoming location while keeping everyday amenities and enjoyable days out within easy reach. The local town, shops and cafés support people to make choices, practise everyday skills and plan their routines with greater independence. Regular bus services connect Pontypool, Newport, Cwmbran and Blaenavon, while rail services are also close by.

People can enjoy green spaces such as Pontypool Park, which offers extensive parkland, walking routes, gardens and leisure facilities. Keeper's Pond and the surrounding landscape provide opportunities for more scenic walks, picnics and exploring the area's industrial heritage.
