What makes this home unique:

At this home, the team are committed to ensuring every person's voice is heard, valued and respected, regardless of their ability to verbally communicate. Through close partnership working with families and professionals, the team develop a deep understanding of each individual's preferences, wishes and aspirations.

This home has a real family feel, and the people we support enjoy spending time together both in the home and while going out for trips and activities. A favourite activity in the home is playing games, either inside or out in the garden in the spring and summer months.

The team focus on what people can do, recognising and celebrating each person's strengths and potential. They are passionate about ensuring the people we support are treated with the same care, compassion and respect that we would expect for our own loved ones.

Situated in the Govilon area, on the outskirts of the historic market town of Abergavenny, the home is located in a quiet area while remaining close to local amenities. There are plenty of shops, cafés and pubs, and a local market is held three times a week.
