

Meet Natasha

Home Manager Supported Living in Wokingham, Berkshire

About Natasha

Natasha began her career in care in 2016 as a support worker and quickly discovered a real passion for helping people live happy, independent lives. Her dedication and natural leadership soon led to a promotion to Assistant Service Manager.

As services grew and evolved, Natasha continued to take on new opportunities including becoming the Manager of our Support Living home in Wokingham in 2018.

Throughout her journey, Natasha has brought warmth, commitment, and positivity to every role and always puts the people she supports at the heart of everything she does.

Natasha's key skills

- Team leadership
- Communication
- Adaptable and responsive
- Committed to professional development
- Person-centred approach

Natasha's successes

Natasha's successes reflect her dedication, resilience and genuine commitment to the people she supports. She has built strong, trusting relationships by communicating well and adapting her approach to find common ground with each person.

Alongside her busy role, Natasha achieved her Level 5 qualification while working full time and raising her child as a single mother, showing real determination and drive. Her ambition continues as she looks to gain another qualification and help the home reach full occupancy again. Each success highlights Natasha's ability to balance professional growth with compassionate, person-centred support.

"Throughout my career I have always put the people we support at the centre of everything I do. I like to find common ground with the people we support as I feel this improves connection and communication and helps people in achieving their goals."
