What makes this home unique

Our home is a special place where everyone feels welcome and cared for. The people who live here get on well and support each other. The team works closely to make each day positive and happy.

In the summer we plan days out to places like the seaside, Richmond Park, and the zoo. We have enjoyed holidays together in Lincolnshire, with lots to do nearby. Some of the people we support prefer a quieter trip, so we also ensure there are options available for them too!

We have a weekly movie night and Friday takeaway, with everyone taking turns to choose. Our monthly meetings help everyone to share ideas and be heard.

Location

Hillingdon is a great area to live with fantastic transport, lovely green spaces, and plenty to see and do. Getting into London is simple, with the Elizabeth line nearby and the Metropolitan and Piccadilly lines just a short bus ride away. This makes it easy to plan trips to museums, the London Eye, Madame Tussauds, the London Dungeon, and many other popular places.

We are also close to the town centre, where you will find a wide range of restaurants, cafes, clothes shops, and not one but two shopping centres! In addition to this the home is a short distance from Southall, West Ealing, Ealing, and Westfields for even more exploring and options for days out.

From the home:

“I have an open-door policy and will always listen and welcome everyone’s thoughts and opinions. The people we support often come to the office for a variety of reasons, sometimes for a good laugh and joke or if they need to talk about something private. Everyone can feel safe and supported here. This also applies to my team as I work hard on supporting everyone within our home.”

- Home Manager

“I have made lots of new friends and got to know new areas. I like being independent and having my own flat and bathroom.”
