What makes this home unique:

At this specialist home that supports people with Profound and Multiple Learning Disabilities (PMLD), there is a firm focus on building relationships with families and friends who are always welcomed for regular visits.

People supported living here are encouraged to be active locally and further afield, taking part in regular shopping trips, attending local events, using local facilities and visiting local nature attractions.

At home, there is a close relationship with the sister property, The Marshes, where people join together to maintain the gardens, bake cakes and cook food, watch movies, enjoy weekly music sessions, go on holidays and much more. This home regularly links up with others in the local area, encouraging co-production and planning for events to include everyone. The annual summer and Halloween parties are a real hit.

Family member quote:

“My daughter has been living at Lynfords for two and a half years. Before she moved in, Zena and her team went above and beyond to make sure she had a beautiful room, fully equipped. The team started to get to know her before the move to ensure a smooth transition and she settled quickly. I feel fully supported by Zena and her team and know my daughter is very happy at Lynfords.”

Home Manager's quote:

“My ultimate goal is to remove barriers so that every individual can lead a rich, vibrant, and fulfilling life. I am dedicated to making a lasting, positive impact by ensuring everyone receives the right support and opportunities to reach their full potential.”
