## What makes this home unique:

Coppice and Oakside, two closely connected homes specialising in Profound and Multiple Learning Disabilities (PMLD) support, have a warm, family focused atmosphere and are well known for their festive events. Each year, they hold a summer party outdoors, inviting families, friends, and people supported to enjoy music, entertainment, and lots of tasty food. Other celebrations like birthdays, Halloween, and Christmas are also celebrated, culminating in a big event with sister homes in and around Ilkeston. These gatherings offer everyone a chance to connect and share special moments.

The people living at Coppice and Oakside enjoy activities matching their interests, including ice skating, Christmas market, trips to Roller World, gardening in the greenhouse, and gym visits. The team work across both homes to build strong bonds and offer consistent, person-centred care.

## Location:

Coppice and Oakside are perfectly placed next to Shipley Park, offering peaceful walks and opportunities to enjoy the local wildlife. Both homes are close to the local town centre, with a bus route to Nottingham and Derby, and Ilkeston train station for trips further afield.

An adapted vehicle is also available for outings and activities, including visits to garden centres, the cinema, outdoor shows, circuses and zoos. Activities are planned around the interests and needs of each person supported.
