What makes this home unique:

Our supported living home in Slough offers a warm, friendly and vibrant environment where the people we support are encouraged to live full and active lives in ways that reflect their personal choices, interests and goals. Everyone is supported to get involved in activities they enjoy, including local social clubs, arts and crafts sessions, Mencap groups and disco club.

Within the home, group activities such as games evenings and movie nights are a much-loved way for everyone to spend time together. The people we support also enjoy preparing meals at home, alongside regular trips out to the local pub, cinema, bowling alley and arcade.

Each year, everyone looks forward to a group holiday by the coast. The people we support also choose, plan and organise their own individual holidays, with support from the team whenever they need it.

Location:

Located in Slough, the home is well placed for getting out and about. The nearby station provides easy access to the Elizabeth line, with direct routes to central London, Reading and other surrounding areas.
