

CAMPAIGN 4 CHANGE

We are **Campaign 4 Change**: a self-advocacy group for people with Learning Disabilities and Autism.

We are a group of people who wish to **speak up about ourselves and other people** with Learning Disabilities and Autism, and have **our voices heard!**

Each of us speaks about our **chosen topic** which we are passionate about - this is called our **campaign**.

OUR CAMPAIGNS

In between our meetings
we **work on our own** and
sometimes visit **interesting**

outside C4C.

We get **paid** for our
work, and we get our
travel expenses back.

We are looking for **new members** to join us.

If you are interested, please **get in touch** or ask staff to help you.
