About Vanessa

Although fairly new to Achieve together, Vanessa has had a 25 year career within adult social care and autism services. Her background includes operational management, quality assurance and service development. She has experience overseeing and leading multiple homes in London and the South East and has focussed on regulatory compliance, person-centred practice and continuous improvement.

Vanessa has helped managers to embed strong governance and safeguarding practices and is experienced in building relationships with commissioners, families, health professionals, and local authorities.

“My leadership approach is firmly rooted in person-centred values, Positive Behaviour Support, and empowering both individuals and teams to achieve positive outcomes”.

Vanessa's key skills

Vanessa loves working with teams, ensuring that they enjoy the working environment and are able to excel and use their skills to the best of their abilities. She has completed the following qualifications:

- CMI Level 7 Diploma in Strategic Management and Leadership
- NVQ Registered Manager Award
- NVQ Level 4 in Health and Social Care
- Licensed Autism Trainer (National Autistic Society)

Vanessa's successes

Vanessa combines operational insight with strategic thinking, making her a respected and trusted leader. She has played a key role in supporting growth and commissioning activity, contributing to the development of new services in the areas which she has worked.

Vanessa's proudest achievement has been overseeing some amazing managers who have supported many amazing individuals. Every one of them was unique and required individual support. The teams she has supported have ensured that the people in their care get the most out of their lives.
