## What makes this home unique:

This home is the perfect place for people to enjoy a full and active life in a peaceful cul-de-sac setting.

The team provides person-centred support, helping each person build confidence, independence and daily living skills at their own pace. People can enjoy their own bungalow, private garden and driveway, with access to sensory rooms and private gardens through patio doors in their own flats. The homes also offer a therapeutic environment, with access to Dialectical Behaviour Therapy (DBT) and Positive Behaviour Support.

Whether it's a day trip, a picnic in the park, bowling or playing pool, the team encourages everyone to enjoy the things they love and try new experiences.

The home is also close to the hospital, shops, cafés and restaurants, many of which can be reached by public transport or a short 10 minute walk.
