Home Manager Supported Living in Doncaster

About Lorraine

Lorraine is a caring manager who has worked in social care for around 26 years. She began her career in social care as an assistant support worker, before becoming a support worker, team leader, deputy manager and then registered manager.

Over the years, Lorraine has managed a range of services, including a semi-secure unit, a residential assessment centre, a complex needs children's residential home and a forensic service.

She joined Achieve together in April 2026, bringing a wealth of care experience, a warm approach and an open-door policy for her team and the people she supports, whether they need a laugh, a chat, support or simply someone to listen.

"Empowerment is helping people do what they can, not doing everything for them."

Lorraine's key skills

"A manager's job isn't to play every instrument, it's to make sure the whole room feels the groove."

Lorraine's successes

Lorraine is a strong, reliable and committed person who balances working full time in care while also being a single mother. This has helped shape the caring and dependable person she is today. In her role at Achieve together, she brings a positive attitude, strong care experience and a real focus on supporting both her team and the people she supports. She wants everyone to feel listened to, respected and included. Lorraine is proud of the mother she is, the professional she has become and the difference she has made to others. Looking ahead, she would like to help build a positive, inclusive culture in her homes that helps make things happen for the people she supports.
