What makes this home unique:

Twyford Gardens is a small and intimate service with a real homely sense. Located at the end of a cul-de-sac, it's a quiet and peaceful home where the people we support are in full control of their day to day lives, choosing what they would like to do and where they would like to go.

Currently we are looking to welcome new individuals to the home to build a new family, activity programme and make Twyford Gardens a special place in which memories can be made and new friendships formed.

The home is fully wheelchair accessible, with all rooms on the ground floor and includes ramped access to the good sized garden, a highlight of the home.

Location:

Located in the Durrington area of Worthing, this home is within walking distance of local amenities and is just a ten-minute drive from Worthing seafront, where there is a lovely long promenade and fully accessible pier to enjoy. Worthing town centre has a wide variety of shops for all needs, a theatre and leisure centre.

Offering a blend of seaside charm, historic villages, and easy access to the South Downs, Worthing is a great location for exploring what the south has to offer from the beautiful beaches to Arundel Castle, National Trust venues and more.

Worthing benefits from plenty of accessible activities including swimming and sports sessions at Splashpoint Leisure Centre, Cycall at Brooklands Park plus a range of community hubs providing weekly activities. There are two Changing Places toilets nearby allowing people we support to get out in the town.
